the

We, the graduating class of 1973, dedicate our yearbook to a man who has proven to be a great asset to the entire school. In his years at K.A., he has established many friendly ties with our graduating class, which can readily be attributed to his willingness to go out of his way to lend a helping hand.

We will always remember his amiable personality and candid humor. It is our sincere hope that we might repay in a small way the appreciation which we feel for this man by this dedication.

This year, we proudly dedicate our 1973 *Columns* to S.F.C. Alfred O. Drury.

SENIORS

JEFFREY ALAN AKERS
Springfield, Illinois
"Jeff"

Jeff is a first year man, but in only one year, he has played many sports and is known for his amazing ability to understand grammar.

Jeff has been a big help in providing the interesting music at our clubhouse parties, and other school functions. He is a friend to all seniors and underclassmen, and the staff wishes Jeff the best of luck in the future.

DAVID EDWARD ALLEN
Louisville, Kentucky
"Red"

Red followed in the footsteps of his brother and crossed the threshold to the Academy. After playing with the guys on weekends last year, he decided that it would be best for him to further his basketball career at the Academy. He promptly moved into a starting position at forward, and in the first game of the season netted 27 points.

Having changed his name to "Donnie," he is currently one of the leading scorers in the region, and the leading rebounder on the team. We have enjoyed the aroma of the room, and can't help but notice Patti's picture.

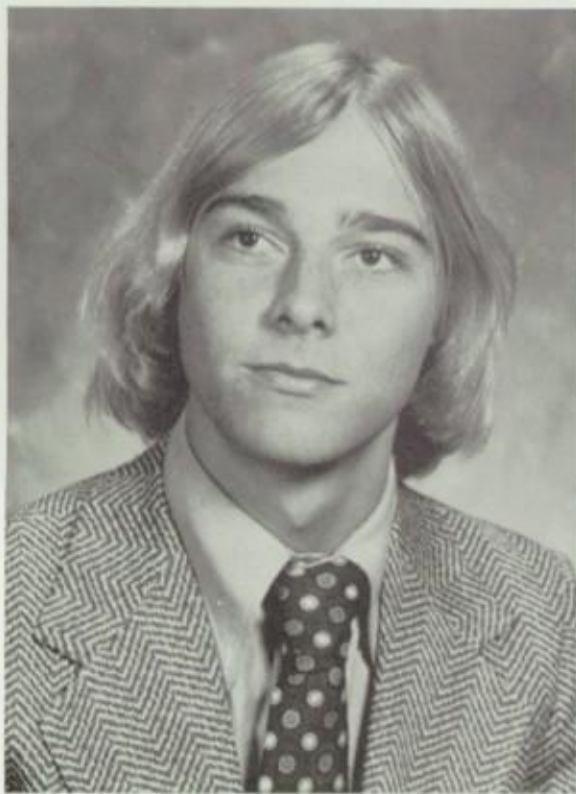

Though his nickname may not infer it, Red is one of the best friends anyone could have. We are sure that the hustle and desire that he shows on the basketball floor will carry him through the years to come.

C'mon in, we're just about to cut the Derby Pie.

I wonder what Patti is doing?

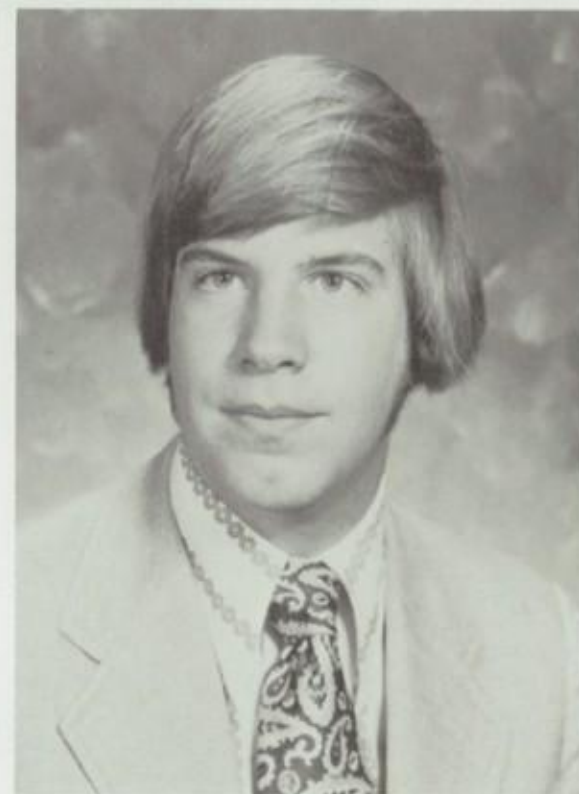

STEPHEN GATEWOOD ALLEN
Bowling Green, Kentucky
"Steve"

When he came to K.A., Steve was probably thumbing his way from the Democratic convention, and got lost.

When he stopped to ask directions at K.A., he fell in love with the campus, and decided to stay and graduate. Steve, in the nine months of school he was here, has become a friend to all. His best athletic event was sleeping, which he soon found to be his weakness. The *Columns* staff wishes you the best of luck in all your future endeavors.

Maybe this place will flood

JAMES EDMONDS ARNOLD
Bardstown, Kentucky
"Jim"

When one speaks about the many accomplishments of "Big Jim," basketball is first and foremost on the list. In "Lightning's" Jr. and Sr. year he was named to the all Blue Grass Conference team and last year was the Seventh Region's leading scorer and was also an All-Stater.

James, a man of amazing rhetoric and a connoisseur of the fine arts, as the English language, spent many hours in the library studying diligently to improve his linguistic ability. He did achieve a vocabulary surpassed only by Allan Ludden.

Jim will always be remembered for his Alice Cooper like personality, his adventures with the "Blue Legs" while trying to be Public Animal #9, and his constant winning of G.O.W. award. We of the yearbook staff wish you all the luck at (cough, cough) Transylvania and may you always remember that "Thats the price you pay to be"

Its the cough medicine and the drops.

JOHN EDWARD BADE, JR.
Louisville, Kentucky
"John"

John rode in to K.A. on a "Mac" truck two years ago and has been fighting ever since. In his two years here he has gained the respect of everyone he's come into contact with. Even Mr. Romero. John, who is well known for his "athletic prowess" is in strong contention for "Athlete of the Year." John was almost fished into going to Transy-cough-cough- but soon saw the light and is going to attend Kentucky. Good luck in everything you undertake including the fast order franchise.

What do you mean that there's no BURGERS in the Dugout???

CHAUNCEY HOYT BROWNING III
Moundsville, West Virginia
"Chauncey"

Chauncey triple-jumped into K.M.I. four years ago and picked up countless friends along the way. He was a top-notch cadet, a competitive athlete, an outstanding student, and Moderator of our student body, which is the highest honor a student at the Academy can receive. One of the wittiest persons in the school, no one has escaped his sly comments.

He is also one of the most versatile students here. "Proving it" not only in the classroom, but on the athletic field as well. He was a member of the soccer, football, basketball, baseball, and track teams. In track, he is the defending champion of the triple-jump in the Blue-Grass Conference. Chauncey is also a mainstay of the *Columns* staff, who wish him the best of luck at Lafayette, and in the future.

I got busted??!!

ROBERT JEFFERY DeREAMER
Louisville, Kentucky
"Dream"

Jeff has done extremely well at the Academy, in the classroom and in athletics. He has gained the respect of not only the students, but also the administration by being appointed to the rank of Proctor, and also to the student council.

"Dream" came intent on playing basketball and he did so with such intensity that he was named "wild man." When this fall rolled around Jeff decided to go out for football, and helped the team greatly. He did so well that he was nominated for the East-West All Star game at fullback.

Jeff has become a friend to everyone and we of the *Columns* staff on behalf of the student body would like to say, "We Care!"

I care

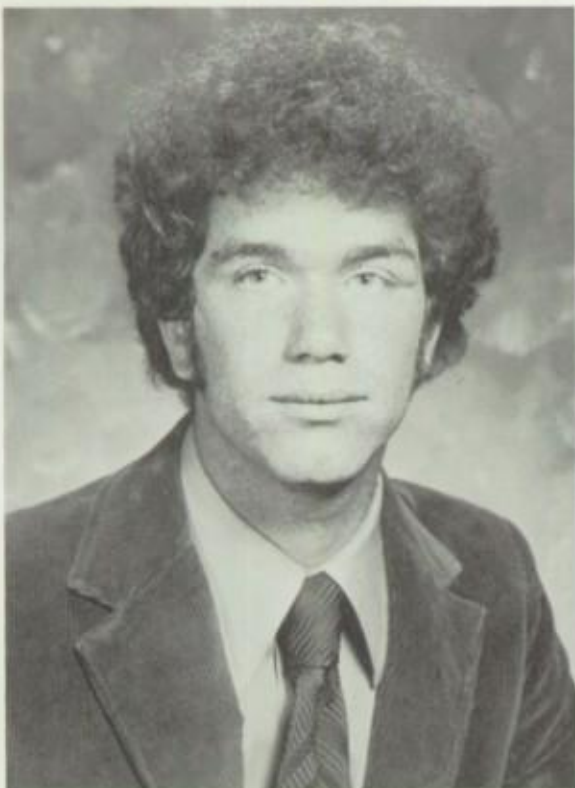

ROBERT EMMET DINSMORE
Boston, Massachusetts
"Bob"

Bob crept his way into K.A. two years ago, and ever since has had his ups and downs. Among his accomplishments, he has reached the rank of monitor, and Co-Editor of the student newspaper. Some of Bob's downfalls have been moving to Milton, Mass. and last years Senior Class.

Bob may not be all that tall, but his quick reactions make up for his height; just ask Neal Gaither. Along with these gifts his attitude is "Live everyday as it comes," and with that he has become a friend to all. This year's staff wishes him all the luck in the world, in whatever he may do.

Oh, shucks, I'm out out of stick pads.

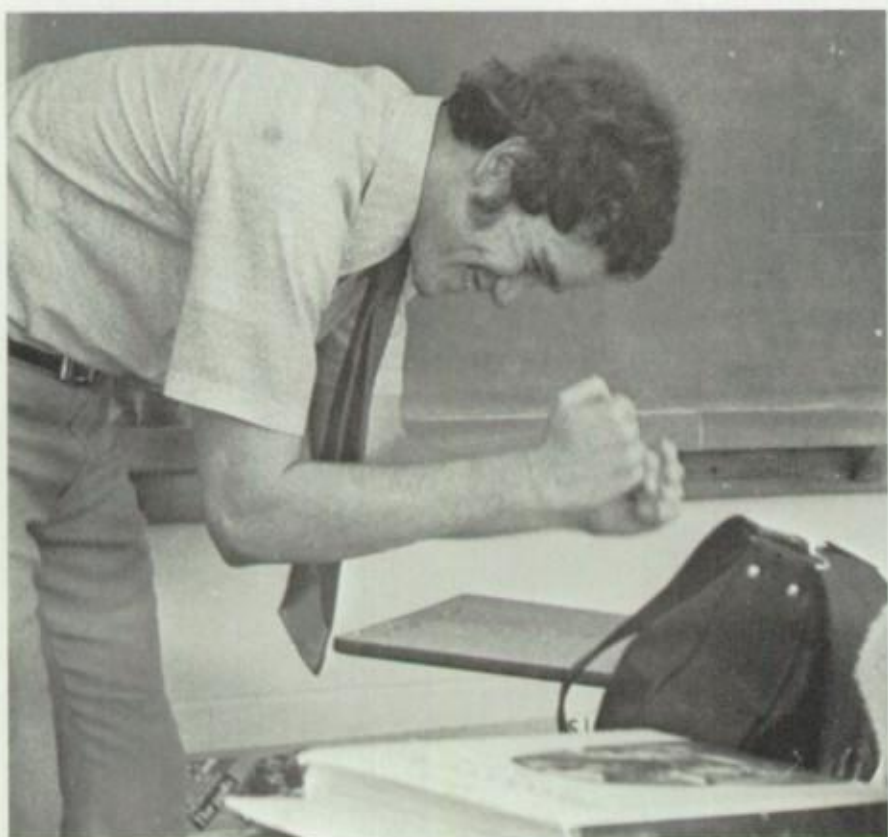

GARY JOSEPH ELLERKAMP
Louisville, Kentucky
"Fro"

The "Fro" staggered into the Academy this year with a number of his Ballard friends. He appeared just in time to make it to football camp and snapped punts throughout the season.

First stoop enjoyed his "derby pies." His tremendous strength, and ability to attack the boards made him a forward on the basketball team. If he is true to his word, he will be playing tennis this spring.

We all have enjoyed his sense of humor; Cork has enjoyed his charades, and Robin his protection. The staff wishes Gary the best in the future to a great guy.

One word, two syllables, sounds like beat.

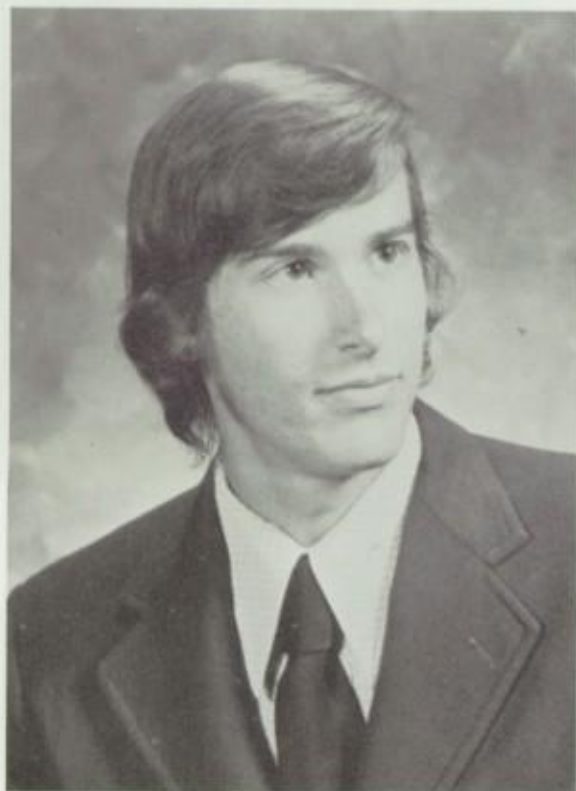

ROBIN JEANNE GRANT
Louisville, Kentucky
"Robin"

Robin nosed her way into the Academy last year, and being one of the few coed's, took on the odd's with great pleasure. Robin has added great excitement to the school, and for her outstanding performance, she was honored as the head girl Proctor.

Robin was a cheerleader and had supported our athletes with an abundance of enthusiasm. Her friends will always remember her for taming that Baby Thump, and those weird happenings driving down the Academy drive. We of the *Columns* staff wish you all the luck in the world in whatever you do.

I find it safer to walk down the driveway.

FRANK EDWARD HANSHAW III
Huntington, West Virginia
"Trey"

Trey came to K.A. three years ago during the time of the military. During his first year he was awarded the honor of Private First Class for his outstanding military proficiency. That alone was almost unheard of, but Trey went farther by maintaining very high scholastic honors.

Trey took the change to Kentucky Academy in stride, and picked up where he left off his first year, both academically and athletically. To make a gran finale, Trey tackled many tasks during his senior year, and accomplished most of his goals.

Davidson College has quite a prospect in Trey, and we of the *Columns* staff wish him all the luck in the future.

HARRY EDWARD HUTCHINSON
Williamsburg, Ohio
"Hutch"

Hutch rambled into K.M.I. four years ago in hopes of having a good time. He appears to have succeeded in that as he is one of the best in keeping the administration on their toes.

One of the most popular "dudes" around, Hutch has succeeded in making everyone to come in contact with him his friend. He will long be remembered for his favorite game "night-watchman hunting" and for liveing up Mr. Spears third and sixth period classes. One of the biggest guys here, Hutch was an outstanding lineman on the football team for four years. He also throws a mean shot for track. Good luck at Cincy, Hutch, we'll never forget you.

Why does it have to be a body from Nebraska?

Here she comes!

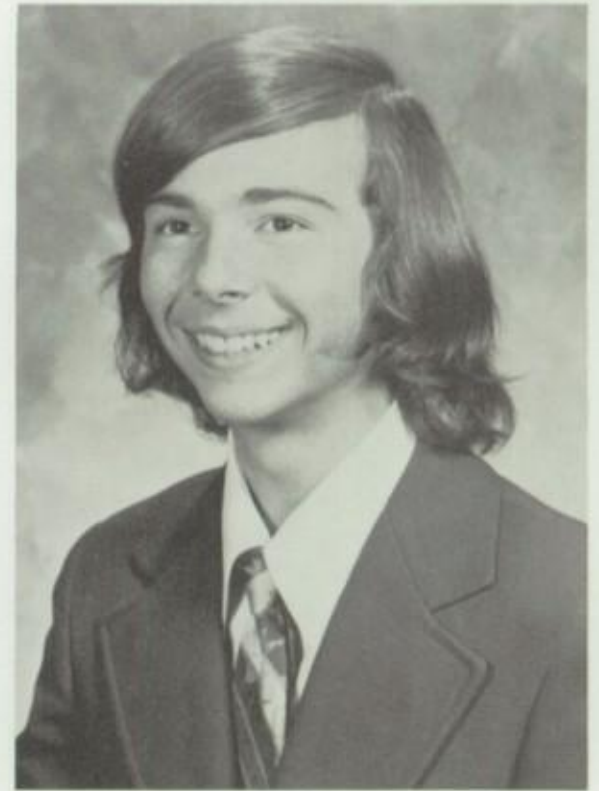

JOSEPH EDWARD JOHNSON
Greenville, North Carolina
"Eddie"

Ed came up from North Carolina to finish his high school career at the Academy. Ed decided this place isn't all that bad and proceeded to finish on top of the senior class in academics and athletics.

His basketball ability was topped by none this year and he is one of the best cagers in our region.

He will always be remembered for learning to love Alice Cooper along with the rest of the school.

We of the *Columns* staff know Ed will be successful at anything he undertakes and would like to wish him good luck at the college of his choice.

BRENT ALLAN JONES
Scottsburg, Indiana
"Mr. J."

Brent laid a patch into the Academy two years ago. Since his first stay Brent proved to have an uncanny knowledge of mathematics, as he was able to prove in chemistry.

It seems that every time the snow melts we hear the roaring sound of the Ole Oldsmobile as he cruises home. Brent has gained many friends at the Academy, because of his amiable personality. He can readily be found in any room which produces music at school, and occasionally running down the driveway. Have a good time at Hanover, Brent, we will always remember you.

WHOOOI . . . You done me wrong!

I wonder if I should put the ASTRO MAGS on tomorrow?

ROBERT WILLIAM KNECHT, JR.
Louisville, Kentucky
"Bob"

Bob is another of the ex-military men. He was all in favor of the change, even though he did very well at K.M.I. Bob will be remembered for his modesty and his outstanding athletic performances. He has spent a long three years at K.A. and this school wouldn't have been the same without him. His "Pick me up" speeches during boring football practice and his ability to run will long be remembered. We of the *Columns* staff wish Bob all the luck in the future.

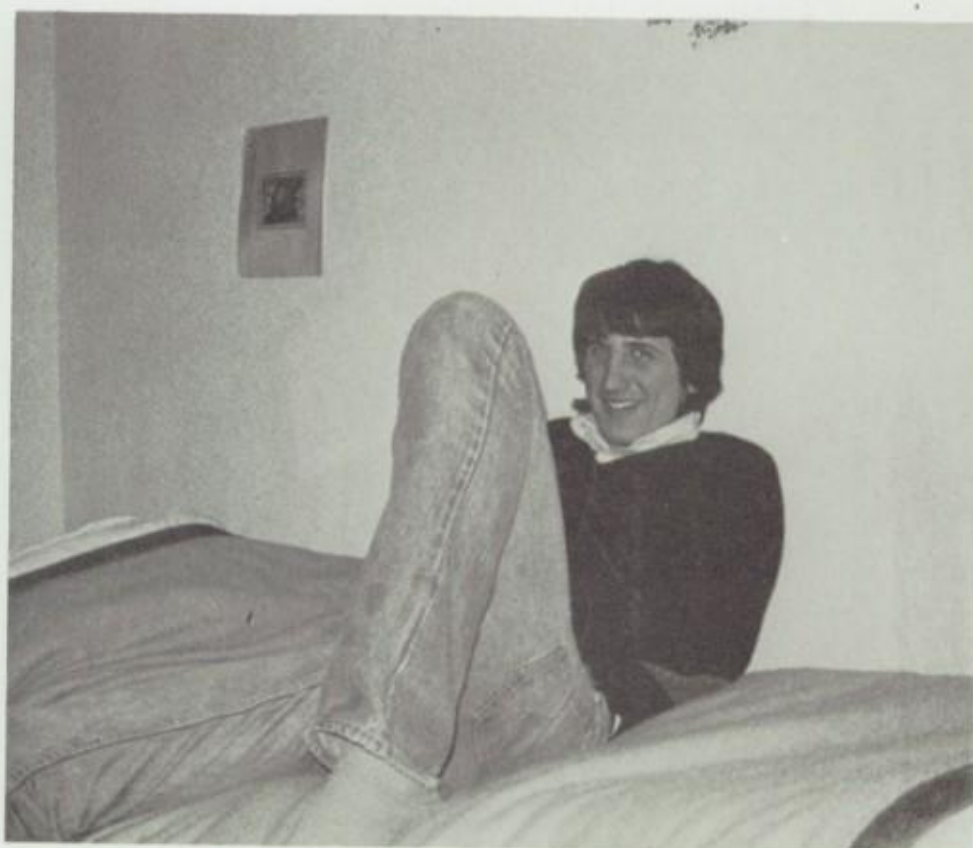

I thought you locked the door, Sample.

DAVID KLAIN KOESTER
Louisville, Kentucky
"Dave"

Dave's entrance into K.A. was quiet and relatively unnoticed. Displaying an amiable personality he soon caught on with both the old and new men of the school. Being a diligent worker and avid student, Dave is a prime candidate for the Spanish award for excellence. K.A. was exuberant at having this real "gem" of a guy wandering in our midst for a year. We of the "staff" wish Dave the best of luck and hope he'll be able to "tap" the best of everything from life.

Here I am, upon my PERCH.

WALTER REID KOHLHEIM III
Parkersburg, West Virginia
"Walt"

Walter is one of the few which have been here at the Academy for four years. He has adjusted well in the change of tradition. Walter has proven himself, not only an outstanding cadet, but also as a student and an athlete. He has contributed much to the Football and Track teams. However, his athletic ability is surpassed for his "genius" in the classroom, as demonstrated in Mr. Conner's first period English class. Good luck in college Walt, wherever you decide to go.

Well . . . uh . . . okay . . .

MICHAEL BARRETT McCONNELL
Winchester, Kentucky
"Mike"

Two years ago, Mike arrived to K.A. to leave a great impression, as a student and a friend. Mike was able to show his ability in the military program as a Squad Leader and his competitiveness on the rifle team.

Mike was one of the first to be accepted to Transylvania, a college which (lucky for him), is close to his home.

The *Columns* staff wishes him good luck.

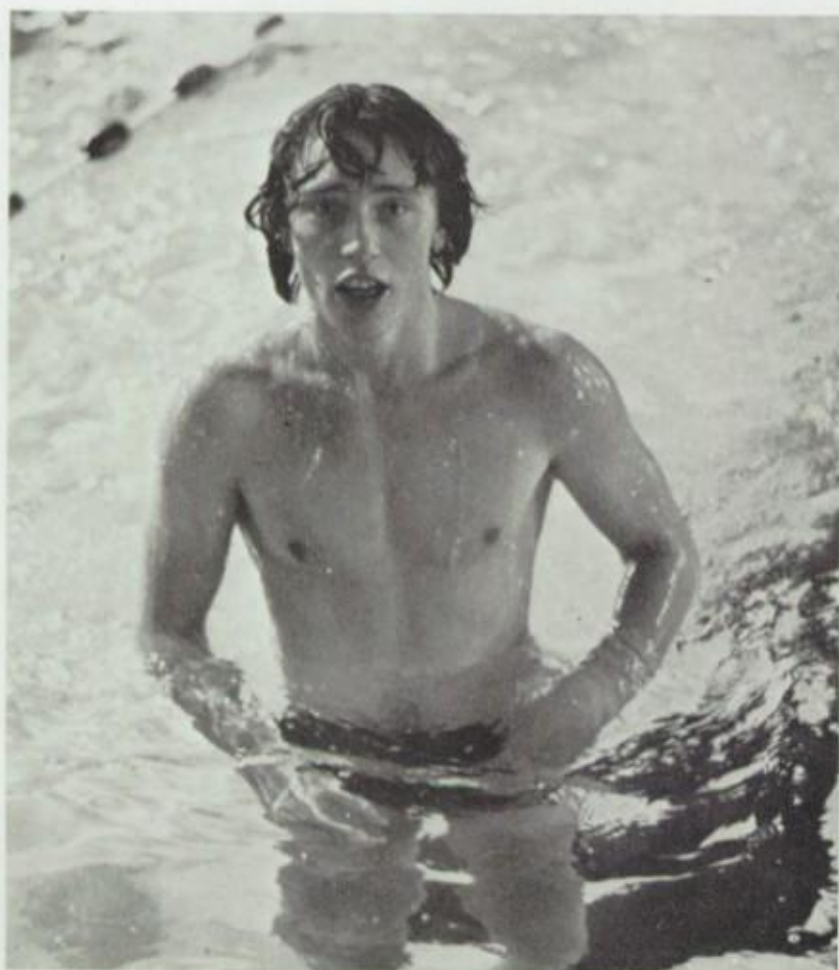

I didn't do it, whatever it was.

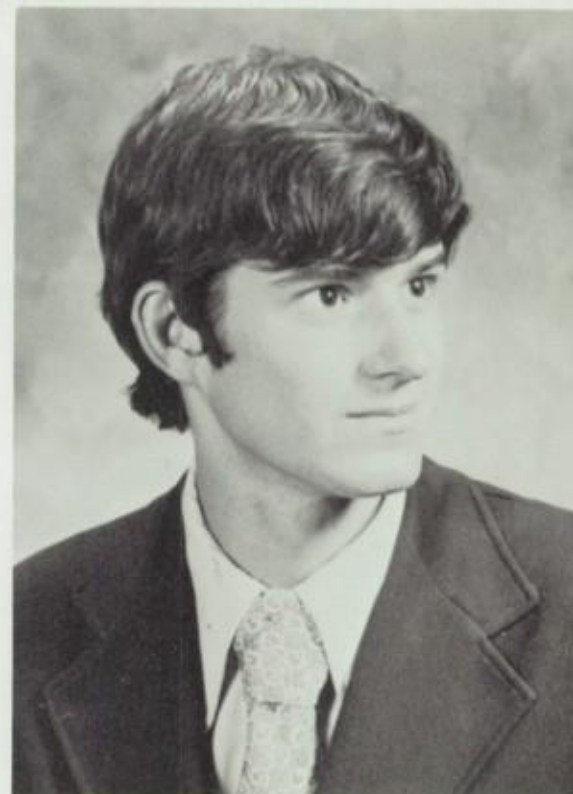

GEORGE COOK MARVIN, JR.
Mexico City, Mexico
"George"

George made it past customs 4 years ago to come to K.M.I. in hopes of becoming an outstanding cadet. In the two years he was here as part of the military he proved to be a model cadet. After K.M.I. went civilian George decided to give it a try and found it a refreshing change as did most everyone else. An outstanding athlete he was a member of the soccer, football, track, and swimming teams. George was also invaluable in helping put the yearbook together. Good luck at S.M.U. George, we know you will be a success at anything you do.

But Coach, I've already swum 75 laps!

JOSEPH SCOTT NOLAND
Louisville, Kentucky
"Joe"

Joe screeched into K.A. two years ago during football camp. Once he settled down as a day student, he began to show his enthusiasm and his willingness to help others. He showed his ability on the football field, and on the track with his efforts, and by urging his teammates on.

Joe has also distinguished himself in the classroom. He has been a great friend to many of his classmates, and the *Columns* staff wishes Joe the best of everything in life.

Oh, thats ridiculous.

SUSAN CHRISTY ODEWAHN
Louisville, Kentucky
"Susan"

Susan came from Ballard last year and found she liked K.A. She is appreciated by everyone not only for her assistance in class but for her outstanding ability on the cheerleading team. She possesses a great talent for art which enhanced Mrs. Helm's Art History class. We of the *Columns* staff wish Susan all the happiness and continued success.

I just love Errol Flynn

JOHN DAVID RAGSDALE
Prospect, Kentucky
"Roogie"

Roogie drove into K.M.I. three years ago and decided to stick around after the great change was made. Roogie is well liked by everyone on campus because of his outgoing personality. He was a valuable member of the basketball team this year and was a step above by being a member of the famed "goon squad."

After graduating from the Academy, Roogie will further his education at Texas Christian. Good luck at everything you endeavor.

They put me back on the Goon squad again.

ALVIN DOUGLAS SAMPLE
Danville, Kentucky
"Doug"

Doug is one of the few guys to last four years here. He did very well under the reign of K.M.I., but when the change came, Doug readily changed with it. He has become very well known by both students and faculty. Doug was unknown in sports until the last two years, where he showed his leadership by receiving the award of captain of the football team and super sub on the basketball team. With Doug's personality and leadership ability we feel that his accomplishments will keep climbing at University of Kentucky. Good luck in the future.

Did you say . . . WHOPPER???

CHARLES JONATHAN SNIDER
Ashland, Kentucky
"Jon"

Jon is very unique among the graduating seniors this year. He came here his sophomore year, took an extended leave of absence, and ended up back here his senior year. We of the *Columns* staff can truthfully say we're glad to have him back.

An outstanding athlete, Jon is the No. 1 man on the tennis team, and quarterbacked our football team to its finest season in years.

His literary ability was recognized by all, as he was the co-editor of the school newspaper, and contributed much in helping put the yearbook together.

Good luck at anything you attempt, and at Arizona.

Cat Stevens! . . . Oh WOW!

JOHN ARTHFORD STOUGH, JR.
Louisville, Kentucky
"John"

John marched into K.M.I. four years ago in hopes of becoming a fine cadet, but after the change to K.A., John realized his dream of being a fine cadet, had changed to being a fine outstanding Academy student. John is an outstanding student as demonstrated in Mr. Spears Trig. class. John contributed to both the Cross-Country team and the producing of the *Columns*, of which he served as business manager. We wish John all the luck and happiness at Wash. and Lee.

I've been here years and years . . .

DAVID HENRY vonSCHLUTTER
Lexington, Kentucky
"Dave"

*Eddie,
Thank you for
a good year.
Thank you for keeping your
radio down David*

David loosened his ties with Tates Creek and headed into the gates of K.A. He is well known for his candid and quick humor among the students. The basketball team greatly appreciates his talents and hard times spent being manager of their team. The *Columns* staff wishes him success in whatever he may attempt.

Oh darn I DIDN'T get it!!!

KATHLEEN CLARICE WHITTEN-
BERG

Louisville, Kentucky
"Kacy"

Kacy made her debut at K.A. two years ago. Being one of our first girls, she organized many activities including the cheerleaders. No one is known to possess more school spirit than Kacy.

She has shown herself to be a true friend and inspiration to all her classmates. We of the yearbook staff wish you good luck, Kacy, in whatever you do in future life.

Alright, where is Chris!

TEAM CAPTAINS Doug sample and Jeff DeReamer with Coach Mooser

KA — 0

Shelbyville — 20

The Cougars began the 1972 season on the road under the leadership of captains Gary Ellerkamp and Don Doepping. The Cougars, being handicapped by the inexperience of the first game, proved to be a worthy opponent to experienced Shelbyville. Under the great coaching of new head coach Chuck Mooser, it seemed that our hopes could be better for this year. The Cougars played a great game and even though Shelbyville put 20 points on the scoreboard things looked promising.

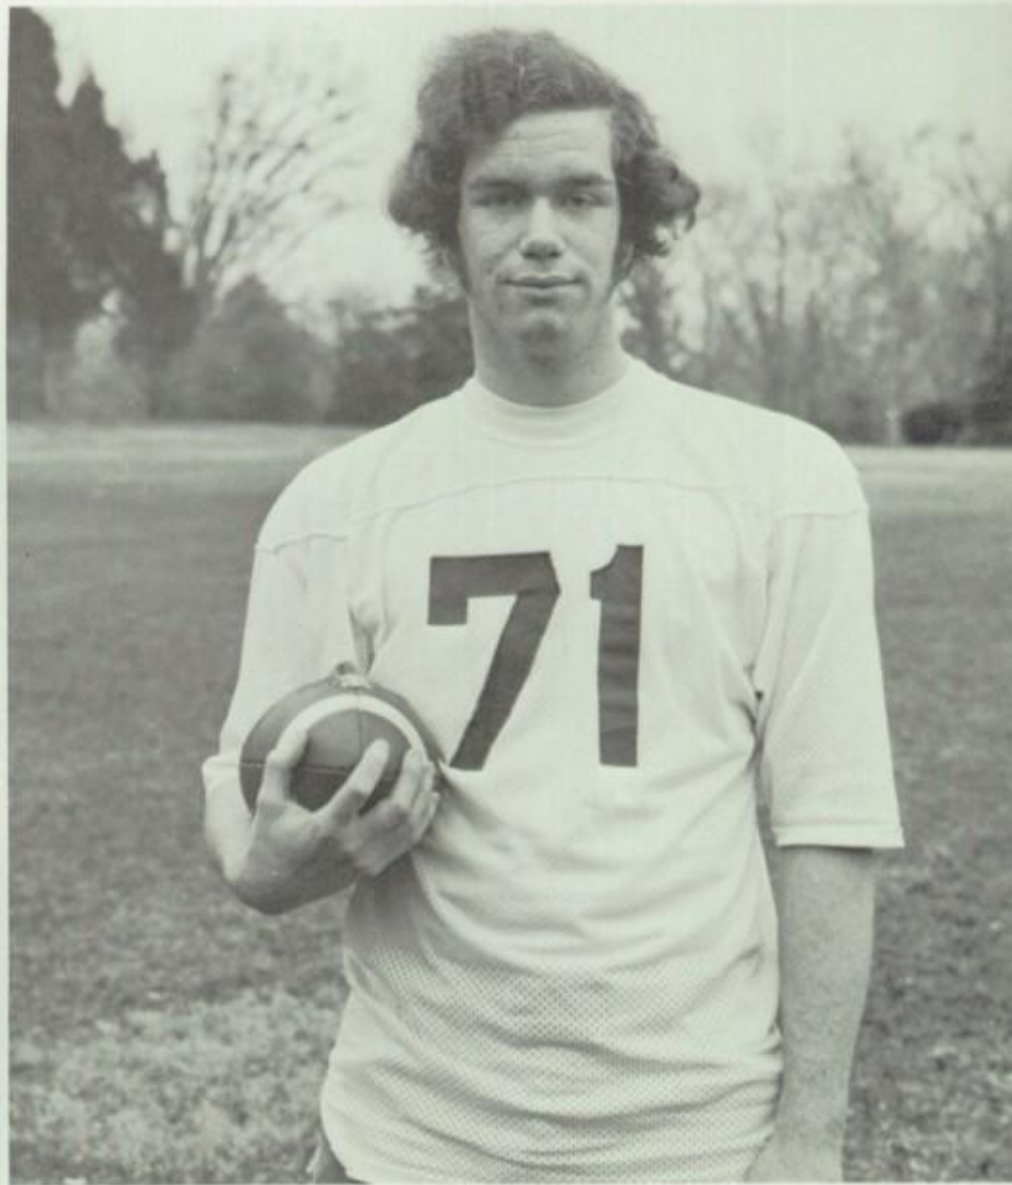

KA — 62

KSD — 12

The following week the Cougars traveled to Danville, Ky. to play the Kentucky School for the Deaf. After their previous defeat the Cougars seemed to want victory and to settle for nothing less. Spurred by the running of Read Thielmeier the Cougars came home with an even record.

ED HUTCHINSON — Tackle

GARY ELLERKAMP — Guard

KA — 8

Ludlow — 6

KA, being the host for the first time this season, was ready to put on a show for the home crowd. Lead by captains Jon Snider and George Marvin, the Cougars played an extremely fine game. Read Thielmeier scored KA's only touchdown and Bob Knecht and Walt Kohlheim were the defensive standouts in assuring the Cougars their second victory.

KA — 0

KCD — 22

For the next game, KA hosted their cross town rivals, Kentucky Country Day. The captains for this game were Walt Kohlheim and Bob Knecht. At the start it looked promising for the Cougars, but due to some defensive mistakes the Daises were able to open the margin in the second half. Outstanding performances were turned in by Ed Hutchinson and Read Thielmeier.

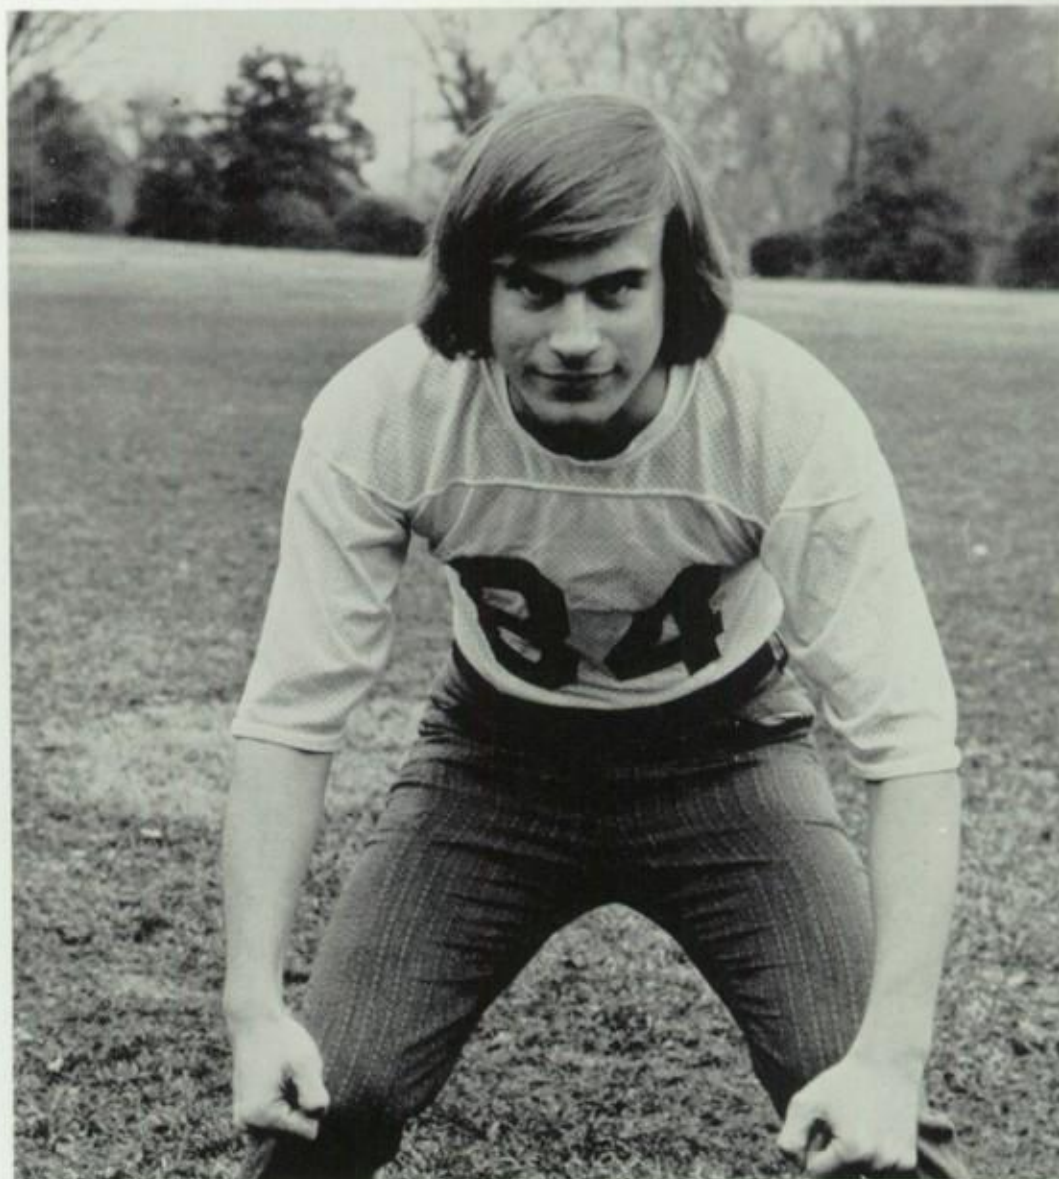

JON SNIDER — Quarterback

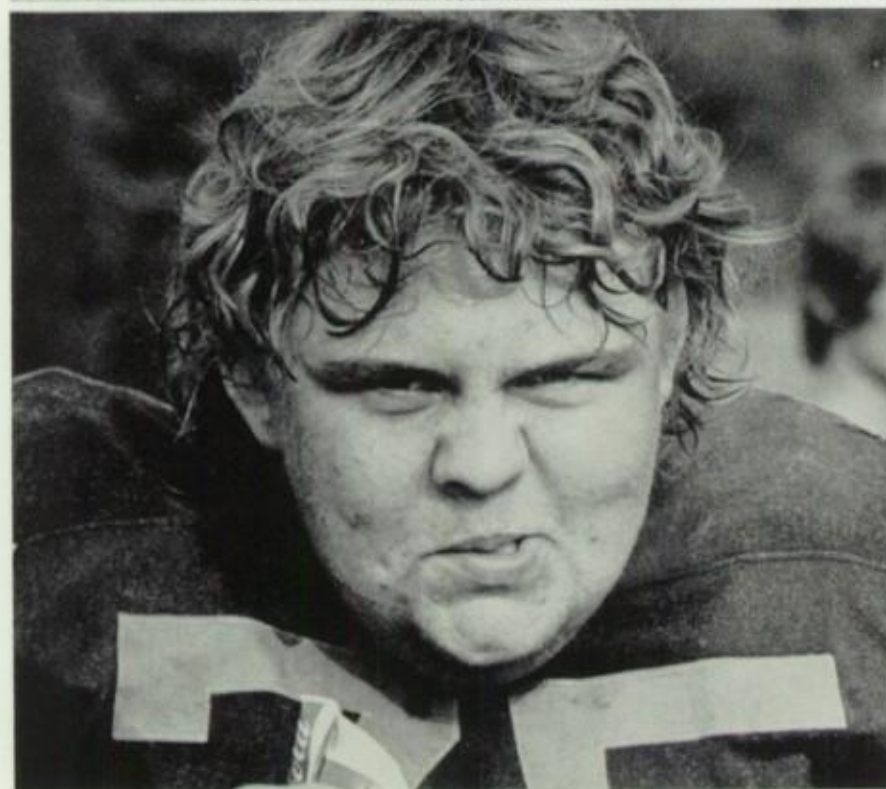

GEORGE MARVIN — Split End

Being the homecoming game the Cougars wanted to win and show old fans what they were made of. Read Thielmier and Ed Hutchinson, being captains for this game, had the team all pschyced up, to try to defeat a power. Eminence, had lost only one game since the beginning of the season. The Cougars were able to give them a good fight, by holding them almost scoreless the first half. In the second half Eminence was able to score. In this game Read Theilmeier, for one of KA's scores, ran for 80 yards in a kickoff return. Outstanding performances by the Theilmeier twins, Bob Bagby, Doug Sample, Jeff DeReamer, George Marvin and Jon Snider.

WALTER KOHLHEIM — Guard

KA — 2

Henry County — 6

On the road again, and after being defeated, the Cougars went to Henry County to avenge a loss during last homecoming, and to even up the season. The Cougars outplayed Henry County and scored four touchdowns, but due to some questionable officiating, they were all called back. The Cougars received great performances from the Theilmeier twins, Chenny Everett and Gary Ellerkamp.

DOUG SAMPLE — Linebacker

KA — 8

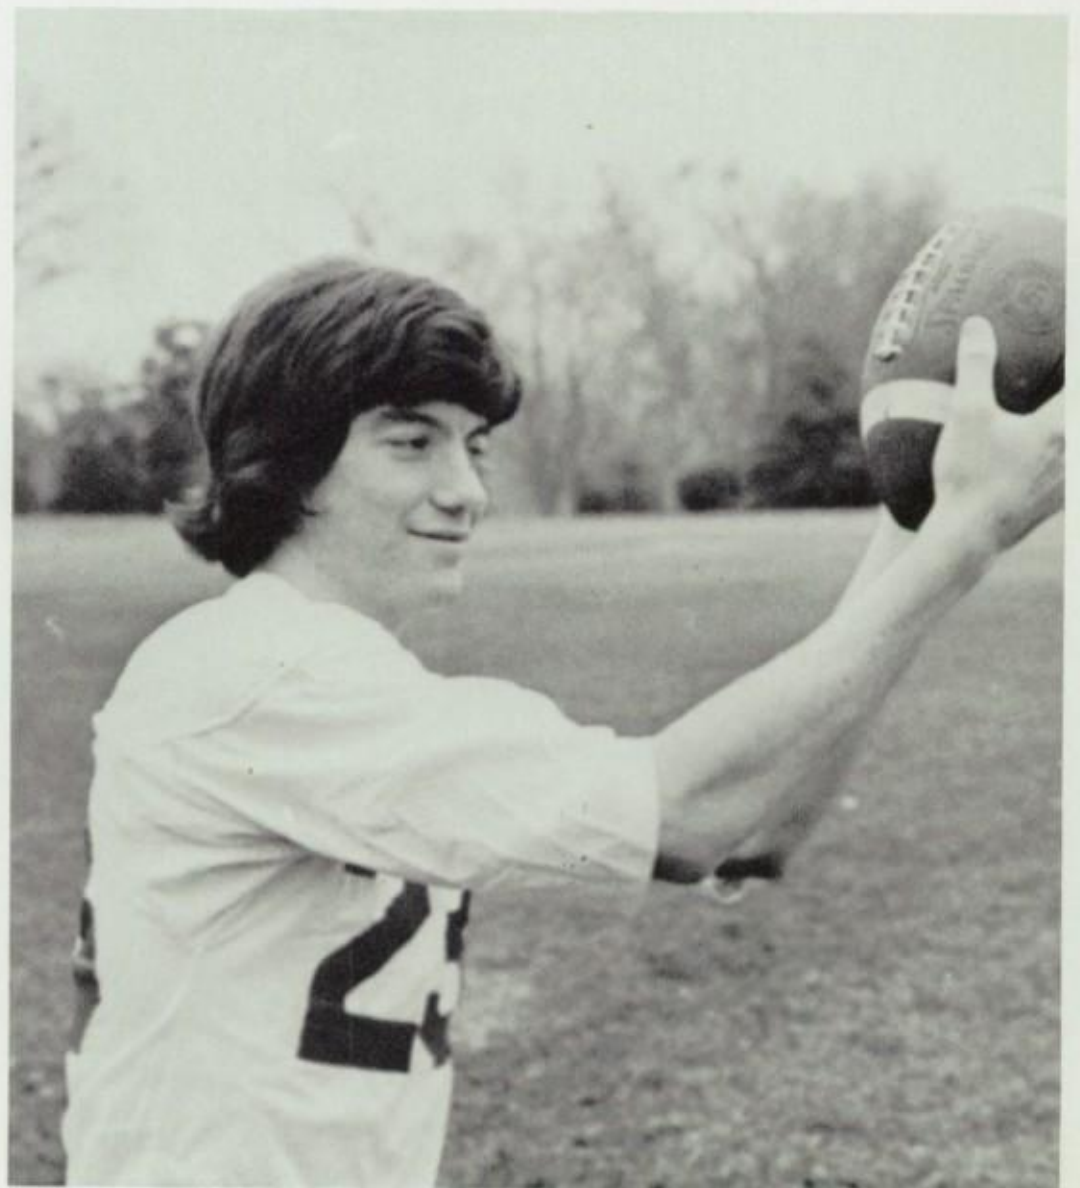

Trimble Co. — 22

K.A. traveled to Trimble County in search of their third victory. Once they arrived they were stung by the passing of their rivals. Valiant defensive efforts of the backfield kept the score down. KA's only score was an end around by Read Theilmeier. KA's outstanding defensive performances were given by Noland, Sample, and DeReamer.

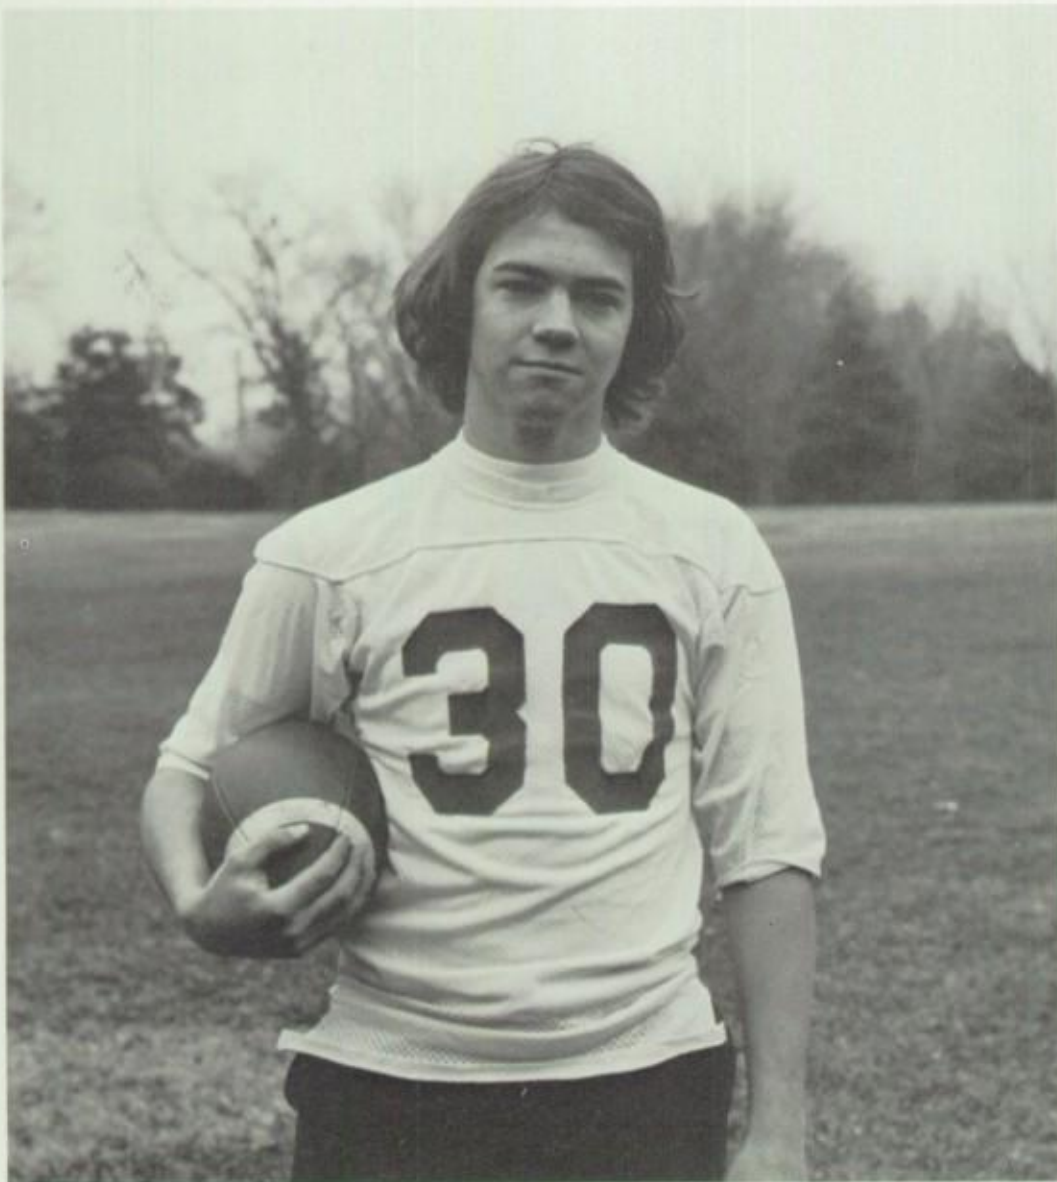

KA — 22

Owen Co. — 8

The Cougars hosted Owen Co. for the last game of the season. Hoping to avenge last years loss KA came on the field ready to show who they were. During the game the Cougars ran and passed Owen Co. into the ground. Pass connections between Jon Snider and Bob Knecht gave the Cougars tallies and also the running of Read Theilmeier. The Cougars went out and played their kind of game. Some of the most outstanding players were Dave Leasure, Ed Hutchinson and Chinny Everett.

BOB KNECHT — Flanker

JEFF DeREAMER — Fullback

JOE NOLAND — Halfback

Although this year's record may not be too impressive, it has been the best record for KA football since the mid 1960's. Thanks to the hard work of coach Chuck Mooser, the always cheering cheerleaders, and the fans, the team was able to do this well. We of the Columns staff wish the Cougars, and especially the seniors, the best of luck.

JEFF AKERS — Flanker

Kneeling: Bob Knecht, Jim Arnold. *From left:* David von Schlutter, Coach Charley, Doug Sample, Doug Hemler, Ray Theilmeier, Gary Ellerkamp, Red Allen, Ed Johnson, Stu Allen, Read Theilmeier, Jeff DeReamer, Dave Ragsdale, Chauncey Browning, Coach Simpson.

The GOON SQUAD

Kentucky Academy traveled to Trimble County for their opening game. At the end of the first quarter the score was 20-6 in favor of the Cougars. The final score was KA, 74 and Trimble County, 59. High scorer was David Allen, with 27 points. Jim Arnold had 21 and Bob Knecht followed with 14. Ed Johnson had injured his ankle in a pre-season scrimmage and would be out for the first 3 games.

The next game was Henry County, and KA was outscored by an 80-63 margin. Jim Arnold contributed 29 points, Bob Knecht 17, and David Allen 10.

Looking for another victory, KA traveled to Gallatin County, where they struggled to a halftime score of 31-28. After an error filled 2nd half the score read Gallatin Co., 59, KA, 55. David Allen and Stuart Allen were top scorers with 15 and 12 points respectively.

The Cougars then traveled to Lexington, Ky. hoping to do well in the Bluegrass Conference Tournament. The Cougars took on Mercer Co. in the first round. At the end of regulation play the score was deadlocked at 59 all. Three overtimes followed! The breaks didn't come and the game ended with KA on the short end of the 67-66 score. Arnold tallied 26, Dave Allen 16, Ray Thielmeier 7, Knecht 7, Johnson 6, and Ragsdale 4.

On Dec. 12 the Cougars took on Portland Christian for their first home game, and defeated them soundly by the score of 83-67. The third quarter was strong for KA as they outscored their opponent 30-13. Ed Johnson poured in 24 points and David Allen followed with 15.

At Eminence, KA evened its record at 3 wins and 3 losses with a 61-44 victory. Bob Knecht led the Cougars with 15 points, Johnson had 14, Stuart Allen 12, and David Allen had 12.

JIM ARNOLD — Forward

BOB KNECHT — Guard

At Nelson County, Ed Johnson scored 34 points and grabbed 16 rebounds, but it wasn't quite enough to win. The Cougars lost 78-68. Johnson was followed by David Allen and Bob Knecht, who each had 10 points.

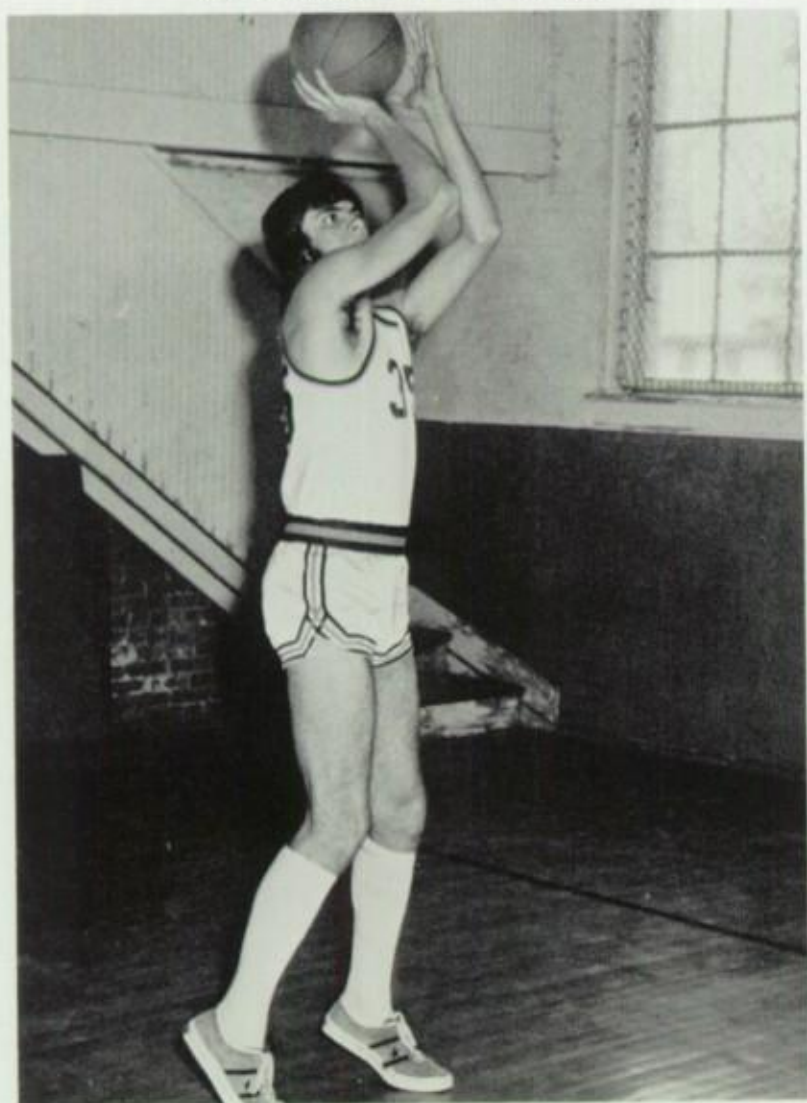

Next, the Cougars took on a surprised Iroquois team. KA had the edge at the half, 30-28, but in the second half Iroquois found the range, outscoring KA 46-25, the final score being 74-55. Knecht and Arnold both scored 17 points, with Johnson following with 12.

At Trinity, Ed Johnson, Bob Knecht, David Allen, and Jim Arnold lead the scoring with 22, 20, 18, and 17 respectively, to beat Covington Latin 84-67. The win put KA's record at 4-5 for the season.

January 9, 1973, KA played Kentucky Country Day, the cross-town rivals. KA was down 10 at the end of the third quarter and had to start rebounding. But the Daisies broke it open the fourth quarter to win 86-67. Bob Knecht had 26 and Ed Johnson had 25 points.

KA traveled again to Lexington, January 18, to play Sayre. The Cougars came home with an exciting 71-66 victory. Johnson had 24 and Knecht had 19 points.

ED JOHNSON — Forward

DAVE ALLEN — Center

January 19, KA beat Bardstown Bethlehem 76-66. Jim Arnold lead the scoring with 28 points. Ed Johnson had 18, Bob Knecht had 14 points, and David Allen had 12 points.

The next night, tired from the two previous encounters, KA played top-ranked Trinity, and was beaten 97-51. Johnson had 24 and Knecht had 12. The loss made the Cougars record 6-7 season.

KA again met Portland Christian, but this time it was on their home floor. The Cougars played a spirited game, with the final score KA 69, Portland Christian 59. David Allen hit 23 points, Bob Knecht 18, Ed Johnson 12, and Jim Arnold had 8 points.

Next, KA took on Cloverport at Trinity gym, beating them 61-49. The game was close all the way, with the 3rd quarter score 36-41. Ed Johnson hit for 27 points and David Allen finished with 15.

KA beat Burgin 78-69 for their third win in a row. Nursing a 10 point lead at halftime the Cougars held on in the last minutes for the victory. Ed Johnson tossed in 21, Bob Knecht 20, Jim Arnold 17, and David Allen had 11.

DOUG SAMPLE — Guard

Again IA played Sayre, but this time on our own floor. The Cougars once again handed the boys from Lexington a defeat, but this time it was two points closer, 55-52. Johnson had 18 points and Knecht 13.

Having won four in a row and 6 of the last 7, the Cougars went on the road again. This time they were beaten 82-78 in a double overtime contest. Ed Johnson led scorers with 19 points, David Allin hit for 18, and Arnold and Knecht followed with 16 each.

The Cougars, feeling down about their previous defeat, were ready for Gallitan Co. KA got their revenge in the form of a 72-55 rout. Johnson led with 21, Arnold had 17, Knecht 16, and David Allen 10.

KA ventured to Berea, and looked sluggish in a 75-84 loss. Dave Allen tallied 23, Ed Johnson 15, Jim Arnold 13, and Bob Knecht had 12.

Owen County was next on the schedule, and the Cougars pulled off an exciting two point victory 68-66. Ed had 22, Bob 18, Jim 15, and "Red" finished with 8.

On February 23, Kentucky Academy again met arch rival Kentucky Country Day. Everyone was up for the game and the Daises seemed "helpless and hapless" against the overwhelming Cougar attack. Being the last regular season game for the seniors this victory was most satisfying. "Big Ed" led the scoring barrage with 26 points in the 72-60 rout. Bob and "Lightning" had 14, and "Big Red" had 12.

We of the Columns staff would like to convey its deepest appreciation for the hard work and determination needed to achieve the fine 13-9 season.

This year's tennis team shows great promise. With returning letterman Jon Snider, and Gary Ellerkamp, who has had past experience, the boys team should be strong. For the first time, there will be a girls tennis team this year. Kacy Whittenberg and Suzan Odewahn hope to make the girls season successful. From what the staff can gather, this season should be successful for both teams. The Columns staff wishes them the best of luck.
